

Research and Innovation

# Unlock your potential with RISE

Are an ambitious, Sussex-based small-to-medium sized business with a desire to innovate and grow?

If you have an idea that you'd like to develop, and are interested in exploring a low risk, fully supported, fully funded project using expertise from the universities of Brighton and Sussex, then the RISE project might be just what you're looking for.

RISE (Research and Innovation in Sussex Excellence) offers eligible businesses:

- + Fully subsidised project with access to up to £7,500 (no payback or match required)
- + Access to cutting-edge expertise from the universities of Brighton and Sussex
- + A low-risk opportunity to develop R&D project(s)
- + Dedicated support from Innovation advisors

**Let your innovation journey take off with RISE**
