

Be a Rockinghorse star this Christmas

Spending time in hospital over Christmas isn't fun for anyone, but it's even worse for children - not knowing if Father Christmas will visit or being able to enjoy Christmas at home, not to mention being scared and worried about the treatment.

How you can help

One of the ways you can support children in hospital during the festive period is help us take Christmas to them.

This means delivering advent calendars and gifts to children in hospital, organising a visit from Father Christmas and providing Christmas dinner to help them feel more at home during their stay over the festive period.

But we can't do this without your help!

Could you be a Rockinghorse star?

Your donations will help light up Christmas.

We want to light up the Royal Alexandra Children's Hospital with a spectacular starry sky projection to show the children that we are thinking of them this Christmas.

To help us do this, could you **sponsor a star** to be included in this magical display? Your support will mean that children get the Christmas they deserve, despite being in hospital at a time they should be at home with their families.

What Rockinghorse Stars receive

If you are able to sponsor a star in our spectacular display, you will get the following:

- ★ Invitation to our VIP Stars Launch event at the Children's Hospital
- ★ Featured on our online campaign hub
- ★ Featured in the event programme
- ★ Named in social media campaign before, during and after campaign
- ★ Media surrounding the event and projection – named in press release
- ★ A personalised, shareable thank you graphic and letter recognising your support
- ★ Promotion within Sussex Business Times to their audience of over 250,000 per month
