SOUTHERN EUROPE ROADSHOW

The Department for International Trade (DIT) Southern region are bringing together Commercial Officers from seven Southern European markets to have 1-2-1 meetings with clean growth and tech businesses based in Southern England. These in-market experts will be showcasing export opportunities, as well as offering insight and guidance into their markets. This event promises to be an action-packed day where new business relationships are established.

Who is it for?

Clean Growth

- Sustainable
- Eco-friendly
- Renewable energy
- Energy efficiency
- Low-carbon technologies
- Clean tech

Tech

- Fintech
- Agritech
- Edtech
- AI
- Security tech
- Software
- 5G

There are over 100 meetings available for businesses across the course of the roadshow in three locations; Bristol, Guildford and Cambridge.
