

# STEP·UP

Partnered by / University of Brighton / University of Sussex

Co-funded by / the European Social Fund

**STEP-UP is an exciting and innovative fast-track training programme for local SMEs which will allow you to identify the skills you need, and access talented graduates to help you grow your business through fully funded six-week internships.**

The STEP-UP offer:

- Access to a series of solution focused peer to peer learning sessions
- Expert-led masterclasses on topics most in demand by SMEs looking to recruit graduates
- Opportunity to network and learn from other businesses
- Chance to build lasting relationships with your local universities and access talented graduates now and into the future

To find out more visit [www.brighton.ac.uk/step-up](http://www.brighton.ac.uk/step-up)

The project is co-funded by the European Social Fund (ESF) as part of the 2014-2020 European Structural and Investment Funds Growth Programme in England.
